

M-3713 Instruction Manual

Assembly Instruction

1. Choose a flat and safe place, turn the top board over and release the bars set on the table legs.
2. Set the released bar on the table leg stopper following steps A and B.
3. Open the table legs to the left and right and turn upside down.

Warning

Misuse could result in injury to the user and/or damage to property

Be sure to observe the following, as they may cause deformation or damage to the table, or cause it to fall over or cause injury.

- Avoid using the table on uneven, sandy, muddy, or other soft or slippery surfaces.
- Never sit or climb on the table.
- Do not apply excessive force or impact to the table, such as by leaning on it or shaking it.
- Do not hang a load over the load capacity (approx. 30kg even weight distribution)
- Do not apply a one-sided load to the edge of the table.
- Never use the product with any modifications or alterations.

Deformation, rust, corrosion, deformation, damage, or deterioration of structural members can cause breakage or tipping over, so special attention should be paid to the following

- Do not use the product for purposes other than intended.
- Keep away from heat, such as near a fire or in a high-temperature area.
- Do not place heated pots, pans, or kettles directly on the product. Do not pour hot water on the product.
- Do not drop, bump, or otherwise impact the product.
- If the product gets wet, wipe it dry.
- Do not place or leave the product permanently in places exposed to direct sunlight, rain or wind (outdoors, under eaves, balcony, etc.), or in places that are subject to high temperatures and humidity.
- Inspect each time before use. Do not use the product if it is deformed or damaged, or if the deck is cracked or broken.
- Be very careful not to pinch fingers or hands. Take special care when children are present.
- For safety reasons, do not allow children to assemble or store the product.
- Do not use the product directly on wooden flooring or other floor surfaces, as it may scratch the floor surface.
